

CERTIFICATE

Certificate granting the right to use the seal ENplus with the certificate number

0114 / NL 001

Based on an agreement between the European Biomass Association (AEBIOM) and the certification body OFI CERT of OFI Technologie & Innovation GmbH as well as in compliance with the handbook for the certification of wood pellets for heating purposes of the European Pellet Council (EPC), which is in accordance with EN 14961-2, the holder of the certificate is granted the right to use the seal ENplus for the following product:

Wood Pellets for Heating Purposes with the Class A1

of the certificate holder

Plospan Bio-Energy BV
Industrieweg 22, NL-4181 Waardenburg

produced at the site

Industrieweg 22, NL-4181 Waardenburg

It is herewith confirmed, that the self-inspection executed by the manufacturer and the initial type-testing as well as the audit-testing were checked by the certification body OFI CERT. This certificate confirms, that all requirements of the

Handbook for the Certification of Wood Pellets for Heating Purposes (Version 2013)

were applied and that the product fulfils all prescribed requirements. This certificate was issued first on the 15th of February 2013 and is valid till the 27th of March 2017.

Vienna, 28th of March 2014

DI Udo Pappler
Head of Certification Body OFI CERT
